Caron Road		Sunny Field Drive
		Forest Avenue

We start the sweeping process with our main streets – West Main, East Main, Market & Pleasant Street. After, we will start a zone in the order listed below for the correct year highlighted in yellow. The streets are listed for each zone above and are in no particular order for sweeping in that zone. We will sweep each street in a zone in an order that makes it most efficient for Public Works personnel.

2025 – Zone B – C – A

2026 – Zone C – A – B

2027 – Zone A – B – C

This rotation continues year after year.

Thank you for your patience,

Chad Pelletier
Public Works Director
